Spur Independent School District

Spur ISD Staff/Parents,

Spur ISD administration has been notified that one of its employees and one or more students have tested positive for COVID-19. The staff member and the students are currently quarantined and will remain so pending medical release. We are currently in the process of determine students who will be considered to have close contact and will be notifying you soon if your child is considered to have had close contact. Spur ISD staff members and students who have been identified as having had “close contact” with the employee and or students (i.e., being directly exposed to infectious secretions, e.g., being coughed on, OR being within 6 feet for a cumulative duration of 15 minutes) have been separately notified and are also self-quarantining in accordance with CDC and TEA guidelines.

Upon being made aware of these confirmed positive cases, the District immediately reported such cases to the local Health Department. All affected section(s) of the District’s facilities are sanitized nightly and cleaned daily. The District is committed to taking all the precautionary steps recommended by the CDC to help prevent the spread of the virus at all of its facilities.

Spur ISD employees and students are instructed to continue to follow CDC and TEA guidelines and recommendations and to practice social distancing, which includes avoiding being in “close contact” with other District employees and students.

Based on the information that we have gathered, it has been determined that the end of the 14-day incubation period for anyone possibly exposed on campus to the employee/students is **September 1, 2020**.

Out of an abundance of caution, we advise you to monitor your health, follow the CDC Guidelines, contact your primary care physician if you develop symptoms, and communicate with the District accordingly.

Spur ISD is continuing to monitor this situation and will provide additional information as needed. Please feel free to call or email the school.

Sincerely,

Craig Hamilton
Spur ISD
