

SSD CORONAVIRUS (COVID-19) PROTOCOLS

[Haga clic aquí para español](#)

Definition of Exposure:

Fewer than 6 feet away for more than 15 cumulative minutes during a 24-hour period to a positive case during the infectious period. An individual's infectious period is the 2 days prior to his/her test or first symptoms, until no longer showing symptoms or 10 days after their positive test.

COVID-19 Symptoms with NO Known Exposure

Cough, shortness of breath, fever, loss of smell or taste, new or unusual headache, severe muscle aches, chills, nausea, vomiting, diarrhea

Inform your campus front office by phone during office hours or email

EEE: eeecovid19@sheridanschools.org
EEI: eeicovid19@sheridanschools.org
EEM: eemcovid19@sheridanschools.org
SES: sescovid19@sheridanschools.org
SIS: siscovid19@sheridanschools.org
SMS: smscovid19@sheridanschools.org
SHS: shscovid19@sheridanschools.org
ALC: alccovid19@sheridanschools.org

Follow ADH guidelines:
Stay at home, separate yourself from others, contact your healthcare provider

You can return to work/school when:

- ✓ Free of fever, diarrhea, and vomiting for at least 48 hours without mitigating medications

Known or Possible Exposure to COVID-19 Positive Individual

Non-close contact:
I was more than 6 feet away or I was closer than 6 feet for less than 15 minutes

Follow ADH guidelines:
Maintain good hygiene, continue physical distancing, continue frequent hand washing, wear a mask

Return to work/school
Monitor for symptoms

Close Contact:

I was exposed (see definition above), starting from 2 days prior to the known positive individual's illness onset or positive test until the individual was isolated

Begin 14-day quarantine from the last known contact with known positive individual

If symptoms develop during the quarantine, begin 10-day isolation from the day symptoms began

You can return to work/school when:

- ✓ Quarantine/isolation time is complete and
- ✓ Free of fever, diarrhea, and vomiting for at least 48 hours without mitigating medications and
- ✓ Respiratory symptoms are improving

Positive COVID-19 Test or Diagnosis

Inform your campus front office by phone during office hours or email

EEE: eeecovid19@sheridanschools.org
EEI: eeicovid19@sheridanschools.org
EEM: eemcovid19@sheridanschools.org
SES: sescovid19@sheridanschools.org

ALC: alccovid19@sheridanschools.org

Begin 10-day isolation from the time of your test or the onset of symptoms, whichever is earlier

Note: This flyer was developed based on ADH guidelines for informational purposes. Only the ADH has the authority to determine when an individual is cleared to return to school or work after quarantine/isolation

NOTIFICATION PROCEDURE: When SSD becomes aware of a positive case, we will immediately contact the health department and will ensure all staff and students who are identified as a probable close contact are appropriately notified in accordance with health department guidelines and privacy laws. Probable close contacts will be contacted by phone and directed to begin the 14-day quarantine. Should a closure become necessary for a large cohort of students (e.g. pod, grade, entire campus) to slow the spread of COVID-19, families will be notified by text through the SSD text messaging system.
