

ONLINE RESOURCES OPT-OUT FORM

The Cove School District is committed to providing your student with the most effective web-based applications and instructional tools for learning. The Children’s Online Privacy Protection Act (COPPA) requires parental notification and consent for student use of district approved online resources for students. The use of these online resources may involve the collection of certain personally identifying information (e.g., the students first and last name, username, district email address, etc.) from children under 13. As permitted under the Children’s Online Privacy Protection Act (COPPA), the District consents to this collection on behalf of parents of children under 13, unless the parent/guardian opts-out using this form.

If you are the parent or guardian of a student under the age of 13 and wish to opt out of your child’s use of online resources, you must print this form, complete it and return it to your student(s) school office.

*****Only fill out this form if you wish to opt out of COPPA*****

PLEASE NOTE: If you sign and complete this OPT OUT FORM, you are not allowing your student access to web-based applications and instructional tools related to necessary coursework. If you do not opt out using this form, you will be deemed to have agreed to our consenting on your behalf to the use of the online resources and the collection of information from your child in connection there with. As a result, your student will be assigned alternative assignments when necessary. *DO NOT complete this form if you want your student to have access to web-based applications and instructional tools.*

OPT OUT

I DO NOT want my child to use the online resources. I understand that opting out may affect my child’s interaction in the classroom and ability to participate in certain learning activities.

NOTE: You must complete a separate form for each child.
