

Cozad Community Schools Mobile Device Responsibilities and Rules

As your child's parent or guardian, you have been loaned a Chromebook mobile device to improve and personalize your child's education. It is essential that the Cozad Community Schools **Responsible Use Agreement** (RUA) be followed by your child in ALL use of the Chromebook and student online activities to ensure the safe, efficient and ethical use of technology in your child's education. Violations of the Cozad Community Schools RUA or other electronic device policies in the student handbook by your child may result in the loss of student device take-home privileges. In addition, ANY online activity on the part of the student which violates district policy or the student code of conduct may be grounds for the revocation of student device take-home privileges. Such activity may include but is not limited to:

- Mis-using social media or communication tools, including but not limited to bullying, threatening or harassing others.
- Unauthorized transmission or recording of audio or video images of any other student.
- Using the district-owned device or using district-owned or managed accounts or network in the possession or distribution of inappropriate or pornographic electronic content.
- Using communication software, social networks, playing games or otherwise violating classroom rules while attending class, unless authorized by the instructor or school administrator.

In order for your child to use the Chromebook in class and to take it home, you must be willing to accept these responsibilities and terms. In addition, if your child will be taking the device home, we require a \$15 annual take-home use fee, payable to Cozad Community Schools. This fee contributes to repair and maintenance costs for student take-home devices and is not used for any other purpose. Until the fee is paid in full, the student may use the device only while at school.

If the mobile device is lost or damaged, school technology personnel must be informed at the earliest opportunity during normal school hours. Cozad Community Schools is the sole agent authorized to undertake repair or replacement of the device. At the time of notification, the school will repair or provide a suitable replacement device to the student.

Most common repairs cost under \$30. The first such required repair of the year (up to \$30) will be done free of charge. Subsequent repairs or repairs in excess of \$30 in the same year will be billed to the student.

In the case of loss, theft, or extensive damage from abuse or negligence which require replacement of the device, the cost may be up to \$220. Such incidents will NOT be covered by the take-home fee and will require that the parent or student pay the full cost of repair or replacement. Please note that damaged or lost chargers are NOT covered by the take home fee. Take-home privileges are only allowed for students with no outstanding fees or repair charges.
