2020-21 CAFETERIA UPDATES

Nutri-Serve's 2020-21 School Year Mission:

To safely & efficiently feed our customers healthy meals with an even greater emphasis on food safety & sanitation during this pandemic. Our commitment to safety practices:

1. Personal Protective Equipment (PPE) for food service staff
2. Frequent surface sanitizing
3. Frequent glove changing
4. Temperatures taken of food service staff upon arrival
5. All foods wrapped or boxed
6. COVID Signage for staff & students.

Nutri-Serve Food Management, in partnership with School District Administrators, has designed several meal distribution models that are being tailored for each of our districts to start off the 2020-21 school year.

Collingswood School District has chosen to implement our **ALL REMOTE MEALS MODEL**, as students will be learning from home & from school. Here is a snapshot of what this model will look like for your student...

Meals are **FREE** for all students through 12/31/20
