USD 243 Athletic Events

We are excited to be back in school and to be able to have sports! In order to stay in school and maintain the safety of student athletes, parents and staff, we will have to make some changes. Everyone must be willing and able to adapt and adjust. Some of those adjustments are not going to be the most popular decisions, but they are made in the interest of our kids and keeping athletics going as long as possible.

With that being said there will be changes this season at USD 243 home contests. By following the rules, you will be doing your part to ensure a long safe season for all of us.

In order to adapt to the every changing safety criteria, these protocols are for **VOLLEYBALL and FOOTBALL**. Updates to these policies will be updated as other seasons are approached.

Fan attendance will depend on the color phase that the school district is in for academics.

Please refer to the following information for fan attendance rules. Attendance will change based on the color level in which the district is experiencing at that time.

There will be no concession stand at volleyball matches or tournaments.
