\*\*We realize that it may be difficult to find Clorox wipes and sanitizer at this time, so try to make sure your child has some for personal use. If you can provide some for class-great! If not no worries.

Students will not be allowed to share supplies with friends, so it is important that they have their own. Donations can also be made to ensure all students are covered. Please reach out to your child's teacher if you would like to donate to our classrooms or if you have any questions. We look forward to a great year together!

Thanks,
