Arlynn Robbins Memorial Scholarship Fund- Steuben County Central School Districts

As we all may know, our community unexpectedly lost a very special young lady in the summer of 2017. Arlynn Robbins has impacted so many of us in various ways, and we all know her legacy will live upon us forever. Therefore, Arlynn's family will be awarding a scholarship to a deserving high school senior who exemplifies characteristics and involvement similar to Arlynn's. This scholarship will be awarded up until Arlynn's graduation year, 2022.

Arlynn Robbins was a very kind, genuine, supportive and loving young lady who inspired many individuals. You could often find her on the farm spending time with her family, friends, and animals. Arlynn was deeply involved within her community; she was a 4-H member and president of The Kickin Kountry Kids 4-H club, a high honor roll student, an agricultural advocate, a trumpet player for the middle school band and jazz band, and very active in dance, swimming, and school musicals.

A memorial scholarship has been established in Arlynn's memory to a graduating senior planning to pursue a higher level of education or entering the work force. A \$1,000 scholarship from the family of Arlynn Robbins will be awarded to a Steuben County High School Senior with similar attributes and interests of Arlynn's.

The scholarship application is due June 1st. More information about this scholarship will be available in your High School Guidance Office. The awarding recipient of the scholarship will be announced at their graduation ceremony.
