

Attendance for Remote Learners

TeacherEase allows students and parents to check-in from their portals on e-learning attendance days.

To check-in on an e-learning day:

Log into TeacherEase via your web browser. www.teacherease.com

The app will not work for remote attendance.

Log in between 8:00 am - 10:00 am. you must log in during this time.

Go to **Student Main** or **Parent Main**

Sign in with your email and your password

The **E-Learning Check-In** popup window will show up

Please Check-In to E-Learning

Click the **check-in** button

A confirmation window will show up

You are Checked-In!

Click **done** and continue to your lessons and assignments

This will count you present for the whole day. You must do this everyday.
