ROCKY FORD SCHOOL DISTRICT
Out-Of-District Enrollment

The Rocky Ford School District recognizes that students may benefit from having a choice of schools to attend within the public school system that is not limited by school district boundaries. Non-resident students from other school districts within the state who are accepted pursuant to the regulations approved by the BOE may enroll in a school within the district on a space available basis without payment of tuition, except as otherwise provided by law. Please refer to Policy JFBB and JFBB-R, Inter-District Choice/Open Enrollment for more information.

(Student) _____, requests enrollment in the Rocky Ford School District for the _____ school year in the _____ grade. Student currently is a resident of the _____ School District. The student and/or parent is responsible for transportation to and from school each day.

Continuing enrollment criteria: Any student enrolled pursuant to this policy, shall be allowed to remain enrolled in the school through the end of the school year unless:

a. the student is expelled,
b. the student's continued participation in the school requires the district to make alterations to the structure of the school or to the arrangement or function of rooms,
c. there is a lack of space or teaching staff,
d. the school does not offer appropriate programs or is not equipped to met the special needs of the student,
e. the school does not offer a program requested by the student, or
f. the student does not meet established eligibility criteria.
