

Mid-Del Child Nutrition

Mid-Del virtual families have the opportunity to pick up school meals (breakfast and lunch) on Monday for the entire week. These meals are provided according to the regular USDA meal programs based on eligibility status. Families that do not qualify for free or reduced-priced meals will pay for meals as they would in the cafeteria. Some families have already pre-ordered through an email sent last week.

A confirmation meal form must be filled out and brought with you at the time of meal pick-up. The confirmation form is attached.

This confirmation meal form is required for all Grab& Go student meals whether you have pre-ordered or not.

Meals will be ready for families who have pre-ordered. If you did not pre-order yet, you may send your information to the following email address: md-nutrition@mid-del.net. Meals will be available for any Mid-Del virtual student on Monday with a completed confirmation meal at the high school that serves your neighborhood. Meals for virtual students will be distributed as 'Grab & Go' meals.

Carl Albert High School

Barnes
Schwartz
Soldier Creek
Steed (Depends on address)
