

Architects Rabe + Partners

Italy Independent School District
ONCOR Meeting
Date: September 14, 2016

Beth Mattern	Fratto Engineering
Brandon Rabe	Architect Rabe + Partners
Cameron	Bowen Electric
Leon	Bowen Electric
John Bennet	John Erwin Construction
Hunter Jarvies	John Erwin Construction
Jason Escamilla	ONCOR
Henry Lind	Italy ISD
Mike Chambers	Italy ISD

Meeting notes:

Fratto Engineers to provide load data sheets to size transformer (completed)

Bowen Electric to provide a cost estimate for underground electrical at the Vo-Ag

ONCOR to provide a plan/sequence at the Vo-Ag for Italy ISD to get a survey and easements in place.

ONCOR to provide a plan/sequence to provide temporary/permanent service @ the elementary based on the availability of the transformer.

Italy ISD will need easements for ONCOR electrical lines. Jeff Crannell, the civil engineer, can provide the survey and easements required by ONCOR.

Italy ISD to provide ONCOR with ESI numbers, so ONCOR can order transockets.

Detailed Electrical notes provided by Beth Mattern P.E. of Fratto Engineering.
