

8/24/2020

Dear Parents,

Welcome to the 4th grade! I am extremely excited that YOUR student will be in 4th grade for the 2020-2021 school year!

4th graders will be **given** a binder with tabs and page protectors to keep all their work organized. You should see this binder **every** night along with a planner (assignment book). Our Class Schedule will be kept in the front cover of the binder so you know what is going on every day in the 4th grade. Students will have color coded notebooks for each subject for daily work, journaling, writing projects, and Science investigations.

I have purchased a pencil box for each student with pencils, erasers, scissors, glue, crayons, colored pencils, dry erase markers, and highlighters. Everything in the box has been marked for your child so if something happens to fall on the ground I will be able to return it to the correct student. We will not be sharing supplies between students. Please set up a supply box at home for your child in the event they have homework or projects as school supplies, including pencils, must stay at school.

Students will have a weekly Spelling rule and 2 copies of words that support that rule. One copy for home and one copy to work with at school. Depending what group your child is in will determine which day the list will come home. I will send a letter the second week of school with that information.

Library books and Classroom library books will not be going home this year. Each student has a book box to keep track of their books.

Kleenex, Clorox wipes, and hand sanitizer would be helpful and most appreciated if you are able to donate those things to our classroom.

If you have any questions or concerns please let us know. It is easiest to use the school email mlynch@colemanschools.net. I will also be setting up a Class Bloomz page for easy communications as well.

Thank you,

Missy Lynch
