

# Basile Family Newsletter **SUMMER** 2022

**In June** we celebrated our 37<sup>th</sup> Anniversary and Tom's 60<sup>th</sup> Birthday. We have been so blessed! We met when we were just 18 and 19 years old. God has blessed us above and beyond what we could have ever imagined.

**Praise** the Lord for a successful church planting conference in Guadalajara. The students were challenged and enjoyed the intense course.

**Praise** the Lord for the work the team from Pennsylvania accomplished at the Ranch! They helped with the electric, they helped install a security system, they built a kitchen counter, they helped with plumbing, and they helped by encouraging us! What a treat it was to work alongside them.

**July** is always a busy month with lots of teams. This year we had a team come from Calvary Bible Church in Lewistown, Pennsylvania! We had a great week. Together, we taught at Comunidad Biblica San Nicolás, we moved our church planters and library, we handed out over 200 Bibles, we handed out 10 water filters, we taught English, we cleaned out and painted the new meeting place for our church plant, we held a carnival for the kids, and we enjoyed visiting Cholula and Puebla! It was a week packed with events, lots of work, and lots of laughter. God worked in and through us.

**19 years and counting** we have been taking the kids from the orphanage camping at a water park. God has always provided above and beyond for this amazing camp. Many lives have been challenged and changed through it. We look forward to it every year. This year we had a team from Tabasco, a team from California and 2 teams from Pennsylvania come and help us. Sixty-seven people camped for 4 days and 3 nights. We all left blessed.

**Tom, Zachary** and two fellow missionaries went to Kansas to help our friends Bruce and Lynda Morock. Bruce has terminal cancer and has been given very little time left on this Earth. They accomplished so much. They pulled up carpet, installed new floors, redid 2 bathrooms, built a laundry room, installed a walk-in shower, and painted the house.

**August** brought a very special day! On Sunday, August 14<sup>th</sup> we celebrated our first service in the new building in San Nicholas. The people from San Nicholas work very hard and long hours. They even work on Sundays. That is why we have our church service on Sundays at 8pm. It was such a blessing to be there. Tom preached, Jabir led worship, Juan prayed and together we all thanked God for how He is working in San Nicholas. We enjoyed a taco dinner after the service. Everyone was so happy they stayed until after midnight.

### Please continue to Pray:

**For** Bruce and Lynda and family.

**For** the new church plant in San Nicholas. The church is called Comunidad Biblica en San Nicholas (Bible Community in San Nicholas.)

**For** Stephen and Cici as they go to Michigan for this semester. Cici will be finishing her Dual Masters and doing her last internship this semester. Lord willing, they will be back in Puebla in December.

**For** all the paperwork that is involved in gifting part of our land to the seminary to be used as a seminary and a Christian camp.

**For** the church planting conference in La Union in September.

**For** Zachary as he is taking a World Tesol course .

**Thank you** for serving with us. We are privileged to have you on our team.
