Still the Goal of our Lives

The verse above tells of future events. Jim and I have devoted our lives to the task of giving every person of every language access to God's Word. Now that we've retired, we are delighted to volunteer in any way that will help. Click the link below to watch a new, short video. Look for this same picture when you get to the Wycliffe page. We hope it will encourage your hearts as it does ours. (If you have trouble, right click the picture and choose "open link," or double click.)

Everyone deserves a
Bible they can
understand.

We'd Love to Hear From You

If you have any prayer requests, we'd love to pray for you. If you have any questions about what we're doing now, contact us! Give us a call or email us, Friends.

God is on the Move!

The Dre Ko Malolo regional strategy aims to see work begin in the more than 580 languages in the Pacific still needing Bible translation by 2025. Click the link below to read more of this BIG endeavor! (Right click the picture and "open link," or double click.)

Praise and Prayer Requests

- Praise the Lord for showing me how I can volunteer with Wycliffe. It is still uncertain how Jim can volunteer.
- Praise God that Bible translation is accelerating so quickly through many collaborations, many started by local churches themselves. This is answered prayer, but please keep praying!
- Please pray for our Great Physician God to heal our eldest daughter, Liz. An ever-growing multitude of specialists are still stumped. Jim and I are blessed to be able to help in a multigenerational household.
- Please also pray for Evangel and Scott to have wisdom as parents to Emeline and Killian James.
- Please ask God to give grace to our son, Will, and his wife, Jodi, as they care for Jodi's mom and Will makes changes in his work.
- Thank the Lord that our retirement pension through Wycliffe, combined with Social Security income, is adequately meeting our financial needs. Many of you make that happen!

Blessings from our home to yours,
Jim and Dorothea Lander
