

Annual Report

2019-2020

Advancing excellence in education by leveraging leadership, knowledge and services across communities

This Annual Report for the Champaign-Ford Regional Office of Education describes its programs and services from July 1, 2019, through June 30, 2020. ROE 9 leverages leadership, knowledge and services across communities to provide alternative programs, professional learning opportunities, and shared services to support students, educators and citizens in Champaign and Ford Counties. The duties of the regional office and the regional superintendent are outlined in the Illinois School Code and the Illinois Administrative Code. ROE 9 provides additional programs and services to meet the needs of the region.

The Regional Office of Education acknowledges and appreciates the support of the Champaign County Board, the Ford County Board, the Joint County Board Committee, and the teachers, administrators, and support staff of the public and non-public schools and cooperatives in the region.
