

Enclosed is an Annual parent notification letter regarding Medicaid billing.

In your child's temporary file is a Medicaid Agreement that you had signed giving the Tremont School District permission to bill Medicaid for services provided by the district. This billing does not affect any services your child gets through Medicaid.

It is a legal requirement that the school district must give Annual Notice to the parents if we are billing Medicaid for school services provided. Please keep this Annual Notice.

If you have any questions please contact me at 925-3823, xt. 207.

Thank you,
