

Academic Olympics at BCHS is a fun and challenging activity! Ms. Gentry is the advisor and we meet in her room on most Thursdays at lunch for practice. We typically attend 4 to 5 meets per year and have qualified for state the last three years. I am proud to add that we are the 2021-22 Montana State Academic Olympic champions!!

Below is the agreement that has to be signed in order to participate. It will give you a small taste of the expectations of the team. Please visit with Ms. Gentry in room 202 if you are interested in finding out more about this awesome activity!
