

Dear Parents and Students,

I want to welcome you to the 2020-2021 school year. I hope you have had time to relax and rejuvenate during the past few months. Although this year will be unique, I am hoping to make it great. It is going to be a year filled with growth and exciting opportunities to learn. I will be working closely with general education teachers to make sure we have the best year possible.

For those of you who do not know me, my name is Mrs. Curtis. This will be my 11th year teaching. I am married with three children. I love boating, camping and spending time with family and friends.

The beginning of the school year will look a bit different. Please know that the staff is working hard to ensure a positive and safe school year for all. Throughout the upcoming school year I am looking forward to having fun while creating every opportunity for your child to learn and be successful.

If you have any questions or concerns please feel free to email me or leave a message at school.

Sincerely,

Jennifer Curtis
