ONLINE Free/Reduced Price Meal Application

- **Apply Online** - We will be utilizing an online application for free or reduced price meals. Families must apply each year for free or reduced price meals for their child.
Families must provide meals for their children until the application has been processed.
- If you received a letter stating that your child(ren) will automatically qualify for free meals through **Direct Certification**, do NOT fill out an application.
- Apply through the <http://genevaschools.schoollunchapp.com> in the comfort and privacy of your own home. The online service is available 24/7 anytime, anywhere there is an internet connection!
- If you do not have internet access or need help, please contact our office at 440-466-4831, x1189 to receive a paper application.
 - **Safe & Secure** - We use the highest level of data encryption available, meaning that your information is always safe and guarded.
 - **Fast** - Your data is transmitted to the Food Service office the same day you apply, allowing for quicker processing so your child may receive meal benefits faster.
 - **Go Green** - No paper applications to complete and return to the office! Applying online is convenient and good for the environment as well!

DIGITAL MENU-Online & Mobile App

We will be using a DIGITAL MENU, available online & mobile apps. Check it out at:

<http://genevaschools.nutrislice.com/>

After choosing your school and menu, easily access nutritional information, and carb counts for menu items. For items that state "No Data Available," contact your school's kitchen manager for items being served that day. Download the Nutrislice app thru Google Play or iTunes!

Pay For Student Meals Online

This online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check.

You can also view recent purchases, check balances, and set-up low balance alerts for **FREE!**
