

# Carthage ISD – Bullying

A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. The purpose of the Carthage Independent School District's on bullying is to assist the district in its goal of preventing and responding to acts of bullying, intimidation, violence, and other similar disruptive behavior. An act of bullying, by either an individual student or a group of students, is expressly prohibited on district property or at school-related functions. This applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying.

- **When is Bullying Prohibited?**

The Carthage Independent School District prohibits bullying. Retaliation against anyone involved in the complaint process is a violation.

The district prohibits the bullying of any student:

1. During any educational program or activity conducted by the district;
2. During any school-related or school-sponsored program or activity or on a school bus;
3. Through the use of any electronic device or data while on school grounds or on a school bus or through the use of computer software that is accessed through a computer, computer system, or computer network of the school district;
4. Through threats, using any of the above methods, to be carried out on school grounds, which includes threats made outside of school hours that are intended to be carried out during any school-related or school-sponsored program or activity, or on a school bus.

Though an incident of alleged bullying may occur off campus and may not entail threats of acts to occur during school hours, if a student's ability to receive an education or a school's ability to provide an education is significantly impaired, as determined by the district administration, disciplinary sanctions may be imposed.

Such behavior is considered harassment or bullying whether it takes place on or off school property, at any school-sponsored function, or in a school vehicle.

A student or witness may file a complaint following the same procedures for bullying against a student that occurs at a bus stop or en route to and from school, and the

school shall investigate and/or provide assistance and intervention as the principal or designee deems appropriate.
