Parents please note:

- The teacher of the block, or the period may divide their class into two groups to give instruction to less students at one time. They will let you and the student know if your student has a different time for instruction.
- The teacher of the block, or the period may want your student to come back into the class, and meet with them, virtually, during the time inside the block or period. The teacher will let the student know.
- The office hours will be on the phone, or in a virtual meeting.
- For your safety and ours, please email the person on staff that you are coming to school to see before arriving at the school. Most things can be taken care of virtually, or by phone.

**On the first day of school, August 31st, students (1) go into their email account, (2) open up the invitation from teachers for their Google classrooms, and (3) join the meeting that the teacher in each block or period has set up, at the time they have instruction, for that block or period.**
