Hello! My name is Katie Raffety (formerly Hoyrup). I graduated from BCHS in 2007, and completed my degree in Music Education at the University of Montana in Missoula in 2012. After college, I worked in Stevensville, Montana as the elementary music teacher for five years. In my spare time, I enjoy cooking, hiking, biking, yoga, painting and spending time with my pets. I am excited to be back in Dillon, and to have a chance to contribute to the program that made me fall in love with music!
