

STATE OF CONNECTICUT
DEPARTMENT OF EDUCATION

September 7, 2017

Mr. Timothy Van Tasel, Superintendent
Hebron Public Schools
580 Gilead Street
Hebron, CT 06248

Dear Superintendent Van Tasel:

The Connecticut State Department of Education (CSDE) Child Nutrition Programs Unit conducted an Administrative Review of the Hebron Public School system's Child Nutrition Programs on December 20 to December 22, 2016, at Hebron Elementary School. The CSDE is in receipt of the district's corrective action plan in response to the results and findings from this Administrative Review.

The corrective action plan has been reviewed and all areas of corrective action were addressed and are approved. There were no areas that required fiscal action. The Administrative Review of the Hebron Public School system's Child Nutrition Programs is therefore completed and will be closed.

Finally, as outlined in the [Department's Memorandum](#), Section 207 of the Healthy Hunger-Free Kids Act amended section 22 of the National School Lunch Act (42 U.S.C. 1769c) to require State agencies to report the final results of the Administrative Review to the public in an accessible, easily understood manner in accordance with guidelines promulgated by the Secretary. The final rule at 7 CFR 210.18(m) requires the State agency to post a summary of the most recent final Administrative Review results for each School Food Authority on the State agency's publicly available website. Please see the attached Administrative Review summary that will be posted on the CSDE [Administrative Review webpage](#). This summary will remain on the CSDE website until another Administrative Review is conducted in school year 2020, in accordance with the three-year review cycle.

Thank you for your support of the Child Nutrition Programs and please extend my thanks to your staff for their great work, hospitality and cooperation. Their hard work and dedication toward providing healthy meals to children is making a difference in the lives of students.

If you have any questions regarding this review, please contact me at 860-807-2050 or john.frassinelli@ct.gov.

Sincerely,

John D. Frassinelli, Bureau Chief
Bureau of Health/Nutrition, Family Services and
Adult Education
