

Hope Public School District Support Plan

August 2020

Hope Public School district provides the following assurances and support:

Guaranteed and viable curriculum

Students within the HPSD will have access to on-site and virtual learning. The following curriculum programs will be used within the district:

- Benchmark Literacy (Grades K-6)
- Phonics First (Grades K-4)
- Benchmark Writing (Grades 2-6)
- Waterford Reading Academy (Grades K-6)
- Engage NY -- English Language Arts (Grades 7-12)
- iLiteracy -- Supplemental in grades 9-10
- Lincoln Learning for on-line instruction (Grades K-12)
- Eureka Math (Grades K-12)

The district will address unfinished learning from the 2019-2020 school year as follows:

- Use of the Waterford Reading Academy
- Use of MobyMax
- Use of iLiteracy to tailor instruction to student needs
- Teachers will meet within PLCs to develop lessons based on student deficits.
- Intervention and advisory time has been built into the schedule for meeting with students with deficit areas.

Additional information can be located in these additional documents:

The Hope School District will utilize the BUZZ learning management system and Lincoln Learning for on-line content.

Teacher training procedures and schedule:

District team members attended training over BUZZ and Lincoln Learning through the Southwest Educational Cooperative. After this training the district created the following sessions:

1. Identify BUZZ & Lincoln Learning trainers for each campus.
2. Begin training the trainers.
 - a. July 14
 - b. July 20
 - c. July 27
 - d. August 3
3. Trainers will train personnel on their respective campuses.
 - a. August 5-6
 - b. August 10-13
 - c. August 17-20

Support for parents and students

The district has held and will continue to hold virtual town hall meetings. Topics addressed include but are not limited to:

1. Virtual procedures
2. Virtual curriculum
3. Update of Covid procedures
4. Question and Answer sessions
5. Upcoming events and changes
