Hello Bulldog Families!

As we close out the week on a beautiful Friday afternoon, I want to offer my sincerest thanks for a great first three days of school--**THANK YOU!** There are definitely a few areas where we continue to problem solve and work through some issues, but I cannot say enough for how fantastic our students have been with everything--and it was so wonderful to see them! We are truly appreciative of everyone's cooperation and flexibility, and I want to give a shout out of thanks to our amazing staff as well!

1) Please continue to use, on a daily basis, the screening checklist for your student(s) prior to the start of school to check for symptoms. We will continue to update this document. It is found here: https://core-docs.s3.amazonaws.com/documents/asset/uploaded_file/835583/Daily-Home-Screening-for-Students-Checklist-ACTIVE-rev5A.pdf

2) You will be receiving information from Mr. Fisher and Mr. Hensley about attendance at our JH and HS athletic events. Please read carefully and we ask that you follow all of the listed guidelines which come from the IL Department of Public Health. Following these guidelines allows us to conduct athletic events and welcome a limited number of spectators from the same household. Masks are required at all events. Your help and cooperation is appreciated so our kids can have the opportunity to play, participate and compete.

3) Remember that Monday, August 24 is an remote learning day for all of our students.

Again, thank you to our families for a great, but very unusual and unique, start to the 20-21 school year! Have a wonderful weekend!

Sincerely,

Dr. Lindsey A. Hall

Superintendent of Schools
