Welcome to RRGSD! At the Roanoke Rapids Graded School District, Kids Are Our Customers! That means our students are at the heart of every decision....and we believe every student will graduate from high school ready to enter the workforce or college as a responsible and respectful member of a diverse society. Kids Are Our Customers also means.... a safe and healthy learning environment, high student performance and growth, strong parent and community partnerships, quality teaching and staff, and support for all of our students. New this year, we're providing every student with access to the latest technology; electronic tablets assigned to every student grades two to 12 as part of our digital learning initiative. It's more than just a slogan.... It's behind every decision we make. At the Roanoke Rapids Graded School District, Kids Are Our Customers! Learn more at RRGSD.org.
