The HCV Booster Club wants to thank all our 2016-2017 members and hope you will consider supporting us again or joining as a new member. Our first year as a joint group was very exciting and we look forward to continuing this excitement into the 2017-2018 school year. Like last year, each school will still retain their separate Booster Clubs that will support our nonathletic extra-curricular programs.

As you will see below, all of our groups have been active this past year and we are excited to continue to expand our ability to support our students!
