

\*\* UPDATED

Elementary Parents and Guardians,

Welcome to remote learning for elementary students. You have opted to participate via online for at least the first nine weeks of school. **Online learning starts on Tuesday, September 8th using your student's teachers google classroom forum.** Supplemental materials can be picked up on September 4th from 10am-2pm using our car pickup lines. Your child's teacher will advise you if you need to pick up items. Staff will be available to bring the items to your car. Please take the time to familiarize yourself with google classroom. Your student's teacher/ Intervention Specialist (if applicable) will be posting information about the remote learning process in the first weeks of school . The online learners will follow the schedule of Group A hybrid students that takes place on Monday and Tuesday. The first week will be getting to know you, sharing teacher expectations, Chromebook usage with necessary tools, and navigating Google Classroom and Zoom. Starting week 2 on September 8th, your child will find remote learning lessons on google classroom following the Group A schedule. **Wednesdays will be used for communication via phone or zoom.** Some teachers may live stream with your student on Monday and/or Tuesday from their classroom or post videotaped lessons.

You should have contacted the school if you are in need of a Chromebook. If you have not, please do as soon as possible. Information about Chromebook distribution will be shared via robocall, website, or a phone call from the school.

Online, teachers will be using Google Classroom and Zoom only. Teachers will provide password information, along with their procedures/schedules/and grading practices on Google Classroom. It is vital that you stay in contact with your child's teacher with any questions.

Attendance will be taken. Your child is expected to participate in all online assignments with completion according to posted due dates. If you are experiencing technical difficulties, please contact your child's teacher via Google Classroom or their Geneva Schools email.

Thank you for your continued support. Please refer to the [Geneva Area City Schools Return to School Guide](#) located on the website at **[www.genevaschools.org](http://www.genevaschools.org)**.

Sincerely,

Mrs. Amy Burzanko
