

REMOTE LEARNING DRAFT 2020-2021

Sample Student Remote Learning Schedule

This is a **sample** schedule. Times and special services will vary by specific student needs

Additional Information Regarding Remote Learning

- This is a **sample** schedule. Times and special services will vary by specific student needs.
- The times indicated in each chart are representative of the amount of time dedicated to each task. Actual times will vary by building. Specific schedules will be provided for each building.
- By grade level, the live teacher-led times for instruction may be different; your child's teacher will share their daily schedule with you.
- For Students in Kindergarten through grade eight, Specials classes will take place in the remote environment. Some classes will be offered in a live session.
- Students will access descriptions of activities through Google Classroom, but all activities will not be digital. Some activities will be hands-on learning experiences.
