

JOPPA-MAPLE GROVE SD #38 MISSION STATEMENT

We believe that education is a cooperative venture shared by the school, parents or guardians, and the youth community. The District's mission is to help each student mature individually to his/her fullest capacities, including moral, intellectual, social, emotional, and physical development, and thereby prepare him/her for effective participation in a democratic society. The District's aim is to provide a safe, orderly, caring, and supportive environment that supports this mission.
