Hello,

My name is Ramona Glaus. I am the District Clerk/Business Manager for Beaverhead County High School.

I grew up on a ranch in the Big Hole Valley and still enjoy riding my horse every chance I get.

I graduated from BCHS and attended Montana State University in Bozeman.

Before coming to the High School in 2014, I was a school secretary at Parkview Elementary for several years and then secretary/assistant clerk and then District Clerk at the Elementary District.

I feel very fortunate to be a part of the Dillon Community and able to work in the great Dillon Schools.

Our students are top-notch and our staff is exceptional. I believe BCHS is the BEST High School in the state.
