Beacon Hill Families,

Hello and welcome to the 2020-2021 school year! We hope summer has been good and you are enjoying every last drop of sunshine. While we work through the challenges that COVID19 has put before us, we are ready to provide a robust education while maintaining safety protocols. It is with a great deal of enthusiasm that we look forward to school beginning and having all of our Bobcats ready to start 2.0 learning. September 11th marks our first day of remote learning. All staff at Beacon Hill have been busy planning and preparing for the upcoming year. At Beacon Hill we are committed to:

- Providing an environment where people are safe, welcomed and genuinely cared about.
- Collaborating to adapt our instruction so that all students will be successful.
- Actively involving our parents, staff, and community members in the success of real life learning.

We understand that parent involvement is key to student success. We welcome you to be as involved as possible in your child's education. Please monitor your child's work daily and help support them as they use their google classroom platform to complete their academics and social emotional learning.

Below are a few ideas to begin working on at home in preparation for the remote 2.0 learning:

- Begin establishing your bedtime and morning routine.
- Determine a set time and place where homework will be completed.
- Celebrate and recognize effort, growth and improvement in all areas.
- Cover the front of the refrigerator with your child's accomplishments.
- Start the day with a hearty breakfast.
- Read with your child 20 minutes every day and limit television time during the week.

Reminders as we begin the school year:

- Please reach out to your child's teacher with any questions or concerns.
- Please reach out to the office if you need any support with food, technology, counseling support, community outreach offering, or anything else!

We look forward to seeing all parents/guardians during our conference days: **September 4, 8, 9, 10.**

Registration for conferences is open August 25-September 2. During these conferences, we ask you to arrive on time, limit the number of family members attending, wear a mask and practice social distancing. Conferences will include meeting your child's teacher, checking out a Chromebook for your child, and receiving a tutorial to access and acquaint yourself with the google platform that your child will use for remote learning 2.0.

We are honored with the privilege to serve as Beacon Hill Principal and Assistant Principals. Please don't hesitate to email, or call with questions, concerns and/or ideas to share.

Sincerely,

Tim Yore (Principal)

Julie Owens-Birch (Assistant Principal)

Lynette Oswald (Assistant Principal)
