“Things to Know For Fall Sports”

HOME INDOOR VOLLEYBALL

All spectators will enter the east front doors and have their temperature taken using the wrist scanner. Social distancing is encouraged when not sitting with people from the same family. All people in the building are required to cover their mouth and nose with a mask or other face covering at all times. Exceptions:

- While eating
- Children who are not students and 5 years of age or under
- Persons with a medical condition, mental health condition, or disability that prevents wearing a face covering (medical documentation may be requested)
- Persons who are deaf or hard of hearing, or communicating with a person who is deaf or hard of hearing, where the ability to see the mouth is essential for communication

HOME FOOTBALL

Social distancing is encouraged when not sitting/standing with people from the same family. Masks and other face coverings, also, will be encouraged at all times.

ALL AWAY CONTESTS

Each school that we attend will have their own rules and regulations regarding spectators. We will get out the info as soon as we're aware of their rules for spectators. Please expect that all schools will require a mask of other face covering for indoor events.

MISC.:

1. PLEASE EXPECT THINGS TO CHANGE AT A MOMENT'S NOTICE WITH BOTH HOME AND AWAY CONTESTS AND SCHEDULES!!
2. CCMS Concessions will not open until 6:00pm and only be located at the football field. The back doors to CCMS will be shut and locked. All people entering and exiting will need to enter through the south main doors.
3. There is no limit on the number of spectators at home events while we are in 'green'. If we get to 'yellow' then it's possible there will be spectator limits on all USD 224 home events. Our color code depends on the numbers of positive cases and types in our communities.
4. Spectators at all events will be expected to leave the premises immediately concluding the event.
