August 27, 2020

Dear Parents and Guardians,

In order to keep everyone informed, parents and guardians of students enrolled in the 100% Remote Learning Program and parents and guardians of students enrolled in the Hybrid Learning Program, all communications will be coming out to all parents.

We have now posted the Parent/Student Handbook on our website. This Handbook provides information regarding practices and procedures that will be in place in our schools, as well as expectations for behaviors that are necessary to promote the safety of our students and staff who are in our buildings. This will be an ever-evolving document as we continue to post new and changing information based on newly developed procedures and changes and updates in Maine CDC and MDOE guidelines and requirements.

You can access the Parent/Student Handbook on the [district website](#) by clicking the *2021 School Reopening* link.

Included in the Parent/Student Handbook is the Parent Contract that will need to be read and signed by parents of any students who will be entering our school buildings, before the student is admitted to the buildings. This will include 100% Remote Learning Students who attend the students roll-in days to meet their teacher/s in person. *The contract is now available to sign on the portal in PowerSchool. Parents will need to complete one contract per every child.*

Please continue to monitor our district website for updates regarding our re-opening procedures and guidelines.

Stay well,

Donna
