## - PRINCIPAL'S CORNER -

The 2020-2021 school year is finally upon us and it is off to a soaring start. Distance learning presents us with new challenges, unexpected obstacles and completely changes the way school has ever been. However, these challenges also provide us an opportunity to evolve and strengthen our teaching in tremendous ways. Our entire staff at Mesquite Trails has been working diligently to ensure that the high quality education provided by our school remains at an elite level. This school year may seem different from any that we have ever experienced, but we look forward to making it incredibly special for all of our Eagles, parents and community. We thank you for your continuous support and patience. Being part of Mesquite Trails means that you are part of a family unlike any other. We look forward to the exciting year ahead and SOARING with all of you.
