Great Start to the Beginning of a Virtual School Year!

We are in the middle of Meet and Greet with parents and teachers. It is fun to see the Butteville families ambling in with smiles on their faces as they gather their educational materials. It does make us miss all y'all more. We are excited about a few new things this year. We have subscribed to a few

new online programs to add to our old standbys that can be used in the classroom or online. Exact Paths and Newsela will be excellent additions to our curriculum. We also have ALMA where parents can check student progress and grades. Another program called GoGuardian works as a communication teaching tool between students, as well as a way to monitor what students do while on the computer.

Front Office Hours: Starting next week, we will limit the campus access to just teachers and staff. The new office hours will be 8-11:15am. The fastest way to reach Randi (a.k.a school) is by email. Her email address is randi.scott@butteville.k12.ca.us You can also call her at (530) 925-3285 between the hours of 8-11:15am. If you call either the school number or the cell number listed above after 11:15am, please leave a message and Randi will call you the next day.

Curbside Meals -

We will be providing curbside meal pickup for anyone that wants a meal. Please contact Colton Cheffey at colton.cheffey@butteville.k12.ca.us or call the kitchen at (530) 938-9753 if you want to come to the school and pickup a hot meal and breakfast. There will be three pickup times for hot school lunches. The times are 10:40-11am, 11:10-11:30am, and 11:40am-12pm. When you pick up your lunch, we will provide you with breakfast for the next morning. Monday's breakfast

will be served when you pick up your Friday meal. Lunches are based off of Direct certification or Income from lunch applications. There are three types of eligibility **free, reduced and paid**; where a **reduced** cost for a meal is \$0.40 a meal and a **paid** meal is \$3.15. Parents must fill out the application correctly or the application is not valid. If parents have any questions please email colton.cheffey@butteville.k12.ca.us.

ALMA

We are currently in the process of migrating to a new student information system. This may explain why you may have missed some important information over the past month. You should have received an email from ALMA to activate your account. If you did not receive this email. Please email Randi at randi.scott@butteville.k12.ca.us and she will resend you an activation link. We will still send out bulletins and notifications through text and Facebook, but there will also be a significant amount of correspondence generated through ALMA, that will be distributed through email. Please make sure we have your current email address on file to avoid missing out on important communications from the teachers and office.

All first day packet forms have been uploaded to ALMA. These forms are an electronic version of the dreaded first day packet forms, that you all have grown to love over the past years. There will be a link sent out with institutions on how to connect your accounts. ALL forms must be completed. The lunch application is included in the electronic forms. If you are unable to upload it, please print it and fill it out. Then scan and email it back to Randi, or mail to the school at 24512 Edgewood Rd. Weed, CA 96094.

Yearbooks

We still have a few yearbooks from last year. If you would like to buy a copy, please email Nina at nina.crownover@butteville.k12.ca.us. They are now on sale for \$12, get one before they are all gone!

Reminder: Our Butteville Bulletin is online and on a free app for mobile phones. We are continually updating our website to make it more user-friendly.

Greetings to some of our newest members to Butteville's Kindergarten Class!!
