

August 28, 2020

To Campbellsport School District Families:

This school year will hold many new challenges for all of us.

For the first 2 weeks, the lunch program will offer cold breakfasts & cold lunches for K-12. (both virtually, & in-school)

All students will be charged for each meal, unless you qualify for free or reduced.

(A students' eligibility status is kept confidential.)

K-5 will eat meals in the lunchroom, @ both CES & Eden, being socially distanced.

6-12 can pick up breakfast in the lunchroom & will eat in classrooms.

6-8 lunches will be delivered to, & eaten, in classrooms.

Milk for cold lunches, may be obtained there also.

9-12 will pick up lunches in 2 assigned locations, which are, the cafeteria, & near the new gym, by the independently standing trophy cases.

Milk for cold lunches, may be obtained by the 'pick up' sites.
Seating for K-12 will be in the cafeteria, as well as other designated locations.

There will be no a la carte offered, until further notice.
