Dear Parent or Guardian:

On behalf of the faculty and staff of Coshocton City Schools we would like to welcome you to the 2020-2021 school year!

We have been busy preparing for multiple scenarios for the upcoming school year due to COVID-19. We have been in consultation with the local health department to make sure we have the best safety protocols in place for our students and staff. You can find our Re-Opening Plan on our *New* website ([www.coshoctoncityschools.com](http://www.coshoctoncityschools.com)) or you can download our Coshocton City Schools App in the App Store or Google Play.

In the event our county risk level is Red (Level 3), students will be separated into two groups, with Group A attending face-to-face on Tuesday and Wednesday, and Group B attending face-to-face on Thursday and Friday.

Please keep your child home if they are sick or have a fever. Students must be fever free for 72 hours in order to return to school. Your cooperation will help us keep our schools open this year.

We want to make sure that you are aware of some important pieces of information including (attached):

- School Emergency Procedures
- Student Online Enrollment – Please remember to enroll your student or update the information for a returning student through our online system at <https://coshocton.esvportal.com/login.aspx>.
- National School Lunch and Breakfast Program Information

- Re-Opening Information

We look forward to working with you and your child(ren) this year, no matter what learning option you have chosen, and hope that you have a rewarding school year!

This is one of the forms completed online through the enrollment process.

We have attached the Emergency Notification Procedures. We request that when you receive an "All Call" phone message from Coshocton City Schools that you do the following:

If you miss a message, you can read it on our Live Feed on our website or app. We will be busy handling the situation and will need to keep our phone lines open. Updated information about the situation will be sent out via email, "All Call", push notifications, text message, news media and our website and app.
