Post Prom Location Change

Due to the increased chances of inclement weather, the location for all Post Prom activities has been moved to indoors at Marshall High School.

All times and activities will remain the same.

Students will enter through the McNary gym doors.

Please remind your student that once inside, they are not permitted to leave and come back. If they leave for any reason, they will not be allowed back inside.

We are looking forward to a fun and safe Prom Night!
