

WEEKLY WARRIOR

Calamus-Wheatland School District

From the desk of Mrs. Kelting

It has been a great week! I wish that I would have taken pictures to share of all of the smiling faces that were seen in the building this week from students and staff! It was great to have our Warrior Family back! Please continue to send a water bottle with your student. We do have a water bottle filler here at school.

Just a reminder that the building will not be open until 7:50 each morning. Once students get here we ask them to sanitize their hands and report to their assigned area. We are also not allowing any visitors or parents to come into the building, please contact the office if you need assistance. Students who are being picked up after school, will be let out by the library doors. Please make yourself visible so staff can release your child to you. As always, please call the elementary office @ 246-2221 if you have any questions! Thank you for a great week!

High School Bus Supervision (for Wheatland Town kids)

Adult supervision at the high school does not begin until 7:40am every morning. Please make sure your children are arriving as close to 7:40am as possible. Buses will begin leaving the High School at 7:45am. Please let us know if you have any questions about this!

School Pictures

Picture day is Friday, Sept. 4th. No order forms will be sent home and no money should be sent to school this year. If you are unable to order online, please call the office @ 246-2221. Here is the link to order pictures: inter-state.com/FlyerEntry/51044VF.

Please let us know if you have any questions.

Food Backpacks

In partnership with area churches, Calamus-Wheatland is able to send home bags of food for families over the weekends. These food bags will be sent home each Friday, confidentially. If you would like to be added to the list of students who receive one please contact the elementary school counselor, Kassidy Willimack at kwillimack@cal-wheat.net or 563-246-2221.
