Re: Update

Greetings Lennox School District Families,

This week has been a great start to our school year. The kids have done an amazing job adapting to new routines aimed at keeping our doors open while we navigate our way through the pandemic. We sincerely appreciate everyone's cooperation, flexibility, and support. We'll end this week with no known active COVID cases in our buildings. I believe it is reasonable to assume we will see active cases at some point, but hopefully these will remain minimal as we execute our preventative measures (hand washing, screening, increased disinfecting, and mask wearing).

To keep you informed of active cases in our buildings, I will send you the following "COVID Case Update" letter on Wednesdays and Fridays.

https://core-docs.s3.amazonaws.com/documents/asset/uploaded_file/891239/8-28-2020_COVID-19_Case_Update.pdf

If it is determined that your child was likely exposed to a positive COVID case at school, we will send you the following "Exposure" letter.

https://core-docs.s3.amazonaws.com/documents/asset/uploaded_file/891385/Example_Exposure_Letter.pdf

Please continue to practice the following precautions to avoid illness:

- Wash your hands often with soap and water for at least 20 seconds or use an alcohol-based hand sanitizer
- Cover your mouth and nose with a cloth face cover when around others
- Avoid close contact with people who are sick
- Refrain from touching your eyes, nose, and mouth
- Cover your coughs and sneezes with a tissue
- Clean frequently touched surfaces and objects

Sincerely,

Dr. Chad Conaway, Superintendent
Lennox School District

Our Mission: To work together to inspire lifelong learners who innovate, persevere, and collaborate to solve the challenges of tomorrow.
