

Dear Parents/Guardians,

Belen Consolidated Schools is now using Schoology, a learning management system (LMS). Schoology enables our students, parents, and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our classrooms August, 31st 2020 to enhance connectivity and communication across our district.

With Schoology, students can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more. As a parent, you will be able to view your child's activity within the platform.

The student website to access Schoology is: students.beleneagles.org

Your child's login credentials to access the Belen Consolidated Schools Schoology system will use the following format:

Sign in: first and last initial, student ID number, @ beleneagles.org

Example: a student named John Smith with the student ID number 12345 would sign in as: js12345@beleneagles.org

Password: Students six-digit birthday.

Example: John Smith's birthday is July 6th, 2015. The password would be 070615

If you are not sure of your student's ID number. Please contact the school site secretary.

We value your participation in your child's education, and we encourage you to read Schoology's Privacy Policy & Terms of Use at <https://www.schoolology.com/privacy>. Student progress and activity will be monitored by faculty to ensure a safe, secure, and controlled environment.

If you have questions regarding Schoology, please call (505) 966-2070.

Sincerely,

Belen Consolidated Schools
