

Creating a great day at school is all part of our lesson plan

We're Kelly Education® and we're new around here!
We couldn't be happier to be joining Prairie Grove School District!

As a substitute employee, we know that your focus is on creating a productive learning environment for your students when their teachers or support staff are out. We're here to support you and make that as easy as possible. Join our team of talented substitute educators and support staff as we work to make every day a great day at school. We offer exclusive perks, training, and resources for our substitutes so they can truly make a difference in their students' lives.

WHO IS KES?
