

Welcome to second grade!

My name is Mrs. Rachel Comen and I will be your teacher this year! Many of you know me from last year! I am looking forward to seeing you again!

I hope that everyone has had a safe summer. This summer, I have enjoyed spending time with my family. I've also been busy getting our classroom ready for the new school year. Things may be different from last year, but we will still have lots of opportunities to learn, play and grow together!

We will need certain supplies to help us with our daily activities. I have many supplies ready for you here at school. Attached is a list of things you will need to bring to school. There is also a list of supplies that will be helpful to keep at home. If you have any difficulty gathering these items, please let me know. Please label any supplies where possible. I look forward to working with you and your family! Enjoy the rest of your summer and I will see you soon!

Love, Mrs. Comen

Supplies to Bring to School
