

Summer, 2020

Dear Fourth Grader,

I am so excited to hear that we are going to be in class together this year and I can't wait for us to begin! It has been a different summer but I was still able to read a lot, swim at the beach, work in my gardens, go sailing, and ride my bike. I hope you had a wonderful time, too!

Things will be a bit different in school this year and you do not need to bring much with you on the first day! I will have all the school supplies you need ready for you! You will have your own supply so you do not need to worry about sharing!

- Please remember to wear a mask to school and bring an extra one!
You may want to keep the extra one in a zip lock bag.
- Bring your own hand sanitizer to keep with you IF you would like.
 - Please bring a great book for independent reading time!
 - Bring a healthy snack and your lunch if you are not buying it.
- Bring a water bottle to keep on your desk. You will need to bring this home each night to be sure it is clean.
- If you would like to bring any special school supplies with you, you can! (For example some special pencils.)

Don't be nervous! It is a different time and school will look different, but we will be fine and will work together to have the best year ever! We will have a great time, learn a lot, and get REALLY ready for fifth grade! Can't wait to see you soon!

Sincerely,
Mrs. Dendas
