

Dear First Grade Families,

Happy new school year! I have missed everyone and I am excited to be your teacher again. This year will look and feel a little different. Our room will be set up in a new way and we will all be wearing masks. What do your masks look like? My mask has polka dots all over it! Please practice singing the first grade handwashing song below.

We are going to have a fabulous first grade year!

See you soon,

Mrs. Spaar

The More We Wash Our Hands

(Tune of: The More We Get Together)

The more we wash our hands

Our hands, our hands

The more we wash our hands

The healthier we'll be

For your friends are my friends,

And my friends are your friends.

The more we wash our hands,

The healthier we'll be!
