RE: 2020-2021 Off-Campus Meal Pick-Up

Dear Parents/Guardians:

The Tonawanda City School District's Food & Nutrition Department has announced a plan for students to have access to meals when not learning on campus. For the 2020-2021 school year, we will continue to offer breakfast and lunch to all students each day including Cohorts A, B, and C as well as our Remote Warriors.

Off-Campus Meal Pick-Up

Effective Tuesday, September 8, 2020, the Tonawanda City School District will offer meal pick-up for all cohort groups and total remote learning students. Meals will be accessible daily. At pick-up, both breakfast and lunch will be distributed. Meal distribution times and locations are as follows:

SCHOOL	TIME	DOOR PICK-UP
Middle/High School & Fletcher Elementary School	10:30a-12:00p	@ MS/HS Door # 3
Mullen Elementary School	10:30a-12:00p	@ Mullen Door # 2
Riverview Elementary School	10:30a-12:00p	@ Riverview Door # 6

MySchoolBucks.com

Individual student accounts will still be active and maintained through MySchoolBucks to purchase additional meals, à la carte items, snacks, milk, etc. (i.e., items beyond standard breakfast/lunch). The link to this program is on the district's website directory under Food Service. For further questions about MySchoolBucks.com, you can reach out to MySchoolBucks support either by phone at 1-855-832-5226 (7a-7p EST) or via e-mail at parentsupport@myschoolbucks.com.

Food Service Survey

In an effort to prepare for meal distribution, please complete the survey sent out by the district. Your responses will help to ensure proper planning and hope to reduce excess waste. This food survey is new and during its initial trial period, the district will consistently analyze its value and monitor feedback to improve and/or continue. Menus will continue to be posted monthly on the school district website under Food Service.

Thank you for your continued support of our Food Service program!

Sincerely,

Donna L. Hill
