MISCELLANEOUS INFORMATION

- Please do not get out of your car if you are in a car lane. (Safety and Traffic issues)
- If your child is tardy, you must walk them in to the building.
- Please call the school if your child will go home a different way. (Before 2:45)
- Your child will go home the regular way unless we hear from you. We will not take your child's word for it.
- You cannot charge lunch in the cafeteria.
- Do not check a student out early (unless it is absolutely necessary). We do not allow check-outs after 2:55 and only 5 are allowed each semester.
 - Students that are tardy and check-out early will have minutes added toward unexcused absences.
- Siblings at the primary will travel to the elementary in the afternoon (letter).

Smart Core Curriculum

Smart Core is Arkansas's college and career ready curriculum for high school students.

College- and career-readiness in Arkansas means that students are prepared for success in entry-level, credit-bearing courses at two-year and four-year colleges and universities, in technical postsecondary training, and in well-paid jobs that support families and have pathways to advancement. To be college- and career ready, students need to be adept problem solvers and critical thinkers who can contribute and apply their knowledge in novel contexts and unforeseen situations. *Smart Core is the foundation for college- and career-readiness. All students should supplement with additional rigorous coursework within their career focus.*

Successful completion of the Smart Core curriculum is one of the eligibility requirements for the Arkansas Academic Challenge Scholarship. Failure to complete the Smart Core curriculum for graduation *may result in negative consequences such as conditional admission to college and ineligibility for scholarship programs.*

Parents or guardians may waive the right for a student to participate in Smart Core and to instead participate in the Core curriculum. The parent must sign the separate Smart Core Waiver Form to do so.

What does the Smart Core Curriculum include?
