

"The Powers Lake Schools seek to challenge and encourage all students to become lifelong learners and effective decision makers."

Powers Lake Spectator Guidelines

Our guidelines for our volleyball games are as follows:

*Each Powers Lake player whose team is playing will receive 3 reserved tickets for that game. If two players are siblings, they each will receive 3 reserved tickets.

*For the visiting team, each player will receive 2 reserved tickets.

*These reserved tickets will be mailed to the visiting team.

*The coaches will give each Powers Lake player their tickets the night before the game.

The reserved tickets must be paid for when ticket holders enter the game venue.

Each person entering the game must be counted and must have a ticket. This means everyone age 1

(walking age) to adults would need a reserved ticket. *On nights where we play 3 or 4 games, we may need to ask that people leave the school after they watch their child play the Elementary and/or Jr. High games unless they have a daughter playing JV or Varsity. The reason for this is because we need to make room for the parents, players, and fans of the home and visiting teams who have come to watch the JV and Varsity games. We also need to stay within the State Guidelines for the number of spectators we can have in our gym.

*All fans at the ball game need to stay in the gym unless they are going to the concession stand or to the bathroom. We cannot have kids wondering in the hallways.

Please help us show respect for our janitors and their work to clean and sanitize the school for the safety of our fans, teachers, students, and school personnel.

All home volleyball and basketball games will be livestreamed on the Powers Lake Public School Facebook page.

Concessions will be served including pop, popcorn, and candy. The lunchroom will not be open so food will be eaten in the gym.

Spectator guidelines and updates for games can be found on our school website in the documents under COVID.

Powers Lake School App

You can find the updated news and events on the Powers Lake School App.

Search powers lake school, nd in the App Store and download it. The Rancher Report is updated every Thursday with the latest information. You can find the Rancher Report under Documents.

Note: Sometimes you have to click on the app a few times before it opens.

Rancher Report August 27, 2020

Attention Parents

We are missing papers that need to be filled out that were sent home in the back to school packet.

Please fill them out and send them to school with your child so we can get them on file and make any changes for the new school year.

We also have a few students with SOY (start of year) balances. These are unpaid fees from the previous school year(s). Please send the payment with your child or pay with a credit card on EFS. If you would like to pay with a credit card and do not have an EFS account set up, please call the school office to request a step-by-step guide.

Early Out

School will dismiss at 1:00 on Wednesday, Sept. 30.

No School

There will be no school on Monday, Sept. 7.
